

# Pharmacists

Dispense drugs prescribed by physicians and other health practitioners and provide information to patients about medications and their use. May advise physicians and other health practitioners on the selection, dosage, interactions, and side effects of medications.

Description: [O\\*NET® 29-1051.00 — Pharmacists](#), O\*NET 31.0 (O\*NET-SOC 2019 taxonomy).

## AI EXPOSURE

High

**Published relative exposure category**

This category compares occupations under the published method. It does not estimate your chance of losing a job.

BLS exposure categories · 2025–2035 projections and AI exposure categories; published August 27, 2026

## EMPLOYMENT OUTLOOK

+5.2%

**Projected employment change, 2025–2035**

Overall employment projections reflect many factors. This change is not an estimate of AI’s effect.

**12,500** annual average openings, 2025–2035. Openings include replacement needs as well as growth; they are not all new jobs.
